EDUCATION

ABES Engineering College Ghaziabad
Degree in MCA   2023 - Present

Mahatma Jyotiba Phule Rohilkhand University Bareilly
Degree in BCA   2020 - 2023

SKILLS

Programming Languages:	Java, C++, C, HTML5, CSS3, JavaScript
Libraries/Frameworks:	React.js, Tailwind, Node.js, Express.js
Tools / Platforms:	Git, GitHub, Visual Studio Code
Databases:	MongoDB, SQL

PROJECTS / OPEN-SOURCE

BookHeaven App | Link   *Node.js, Express.js, MongoDB, React.js, JavaScript, Tailwind, HTML*
- Engineered a sophisticated bookstore web application with advanced user authentication, exclusive access to premium course materials, and personalized light/dark mode options.
- Optimized user experience and data security by seamlessly integrating user-specific content and implementing robust backend management practices.

MI Store | Link   *React.js, JavaScript, HTML, CSS*
- Developed a feature-rich MI store clone app showcasing strong front-end development skills.
- Optimized app performance through code optimization and lazy loading, leading to faster load times and a smoother user experience.
